Report of Principal and School Improvement Council

The academic performance of our students has continued to heighten. Signs of this were marked by a significant increase in test scores on Measures of Academic Performance (MAP) and commendable gains in classroom performances.

The academic efforts of our students were rewarded with items from local businesses and academic incentive "Wolverine" cards. Students scoring Proficient/Advanced on all subject areas of PACT were awarded a cash award and a trip to Carowinds Amusement Park. Student conduct was recognized as well with behavior incentives. Those with no behavior referrals were invited to events such as movie days, and students' random acts of kindness were recognized with a "praise box."

This year marked the beginning of two significant initiatives for NDMS. First, a school uniform policy was initiated. On day one of this policy, we saw more than 95% of our students in compliance. Students were dressed for success as disciplinary infractions linked to student dress decreased, while affording more time for the administration to directly devote to teaching and learning. Second, our 8th grade students were further exposed to the world of work with Pre-Career and Technology classes. All 8th grade students explored the 16 career clusters using lab management software. They engaged in interactive activities that integrated academics with job skills.

Student performances in extracurricular activities continued to represent our school well. The success of the arts programs was recognized by a number of region band honorees and visual art award recipients. The NDMS Chorus and Gospel Chorus had many outstanding performances throughout the school year, and the drama department conducted another successful play with a presentation of Romeo and Juliet. In athletics, the football and volleyball teams once again enjoyed conference championship seasons with undefeated records. The boys and girls basketball teams won conference championships, and the baseball and softball teams won more than 90% of their games. Additionally, several of our students enjoyed success as high school track team members.

The NDMS family was again very successful in its fundraising efforts to benefit causes like Relay for Life and Saint Jude's Research. The contributions of many helped to raise more than \$4000. Additionally, parents and community members assisted us in providing various school programs and activities.
